

GOOD TEACHERS MAKE ALL THE DIFFERENCE

We at Viraj Shri Ram Centennial School take immense pleasure to announce that our Principal Mr Satyendra Kumar Mishra, has been honored with the **Vanyajeevan Dronacharya Award and Paryavaran Dronacharya Award** for his unrelenting guidance and support to his students and in return helping them to give their exemplary performance in the **Vanyajeevan Ratna Award Examination and Paryavaran Ratna Award** conducted by the “**Indian Centre for Wildlife and Environmental Studies in the South Asia Region**”.

Mr SK Mishra has been championing environmental protection and enhancement by bringing transformation both inside and outside the classroom through his various accomplishments... be it the Tree Plantation Programme or the setting up of Eco Club or dedicating a plantation area for his guests and staff in the school. An inspirer, a motivator, a mentor; these three characteristics are just a short sample of the many he demonstrates before his students and the staff.

VSRCs takes pride in congratulating Mr Satyendra Kumar Mishra whose will to conquer the values and principles of life has showered glory to the school.
